## **Choosing the Right Yarn**

The type of yarn you choose will affect the look and feel of your blanket. For a soft and cozy blanket, choose a yarn made from natural fibers such as wool or alpaca. For a more durable blanket that will stand up to wear and tear, choose a yarn made from synthetic fibers such as acrylic or nylon.

## **Getting Started**

To begin crocheting your basket weave blanket, you will need to make a foundation chain of 120 stitches. Once you have made your foundation chain, you will single crochet into each stitch across the row. This will create the first row of your blanket.

The basket weave stitch is a simple and repetitive stitch that creates a beautiful woven effect. To make the basket weave stitch, you will need to:

1. Single crochet into the next stitch.
2. Skip the next stitch.
3. Single crochet into the next stitch.
4. Repeat steps 1-3 across the row.

## **Changing Colors**

To change colors in your basket weave blanket, simply cut the yarn and tie on a new color. Then, continue crocheting in the new color as usual.

## **Finishing Your Blanket**

Once you have crocheted your blanket to the desired size, you will need to finish it off. To do this, simply cut the yarn and weave in the loose ends using a yarn needle.

## **Tips and Tricks**

- To make your blanket even cozier, use a larger crochet hook size.
- To make your blanket more durable, use a smaller crochet hook size.
- If you make a mistake, don't worry! Simply undo the stitches until you reach the mistake and then continue crocheting.
- If you want to add a personal touch to your blanket, you can add embellishments such as tassels or fringe.
