## Materials and Supplies

- **Plastic Canvas:** 7-count clear plastic canvas, cut to 11" x 14"

- **Yarn:** Worsted weight yarn in white, pink, green, and yellow
- **Yarn Needle:** Plastic or metal yarn needle with a large eye
- **Scissors:** Sharp scissors for cutting yarn and plastic canvas
- **Ruler or Measuring Tape:** For measuring and ensuring accuracy
- **Optional:** Fabric glue to secure the edges of the tissue cover

## Step-by-Step Instructions

### Row 1

1. Insert the yarn needle into the first hole on the bottom edge of the plastic canvas.
2. Bring the yarn up through the second hole, creating a loop.
3. Insert the needle into the third hole and bring the yarn up through the fourth hole, creating another loop.
4. Continue this pattern until you reach the end of the row, creating a series of loops along the bottom edge.

### Row 2

1. Insert the yarn needle into the second loop from the left, going under the first loop.
2. Bring the yarn up through the third loop, creating a new loop.
3. Continue this pattern until you reach the end of the row, creating a new row of loops.

### Row 3

1. Insert the yarn needle into the second loop from the right, going under the last two loops.
2. Bring the yarn up through the third loop, creating a new loop.
3. Continue this pattern until you reach the beginning of the row, creating a new row of loops.

### **Rows 4-56**

1. Repeat Rows 2 and 3, alternating between rows of single crochet and rows of double crochet.

### **Rosebud Motif**

Now that you have completed the foundation rows, it's time to create the charming rosebud motif that adorns the tissue cover.

### **Petals**

1. Using pink yarn, create 5 petals by following this pattern:
  - Row 1: Single crochet 3 into the first hole.
  - Row 2: Single crochet 2 into each of the next 2 holes.
  - Row 3: Single crochet 1 into each of the next 3 holes.
- Repeat this pattern to create a total of 5 petals.

### **Leaves**

1. Using green yarn, create 3 leaves by following this pattern:
  - Row 1: Single crochet 5 into the first hole.

- Row 2: Single crochet 1 into each of the next 4 holes.
- Repeat this pattern to create a total of 3 leaves.

## **Center**

1. Using yellow yarn, single crochet 1 into the center of the plastic canvas square.

## **Assembly**

1. Arrange the 5 petals around the center, overlapping them slightly.
2. Glue or stitch the petals in place.
3. Arrange the 3 leaves around the petals.
4. Glue or stitch the leaves in place.

## **Finishing Touches**

1. Weave in any loose ends.
2. Optional: Apply fabric glue around the edges of the tissue cover to secure them.

Congratulations! You have successfully created a beautiful and functional Rosebud Regular Tissue Cover using the plastic canvas pattern. This charming addition to your home décor not only conceals unsightly tissues but also adds a touch of elegance to any room. The possibilities are endless, as you can customize the colors and motifs to match your personal style and preferences. Whether you're gifting it to a loved one or keeping it for yourself, this tissue cover is sure to bring joy and practicality

to your life. So, continue exploring the world of plastic canvas crafting and let your creativity shine through in countless other projects.

## Additional Tips

- Use a variety of yarn colors to create a vibrant and personalized tissue cover.
- Experiment with different stitches and patterns to create unique designs.
- Add beads, sequins, or other embellishments to enhance the beauty of your tissue cover.
- Create matching plastic canvas coasters or other home décor items to complement your tissue cover.
- Share your creations with friends and family, inspiring them to explore the world of plastic canvas art.
