Tender Is the Flesh is a chilling and thought-provoking dystopian novel that explores the dark side of humanity. Set in a world where meat has become scarce, the novel follows the story of Marcos, a slaughterhouse worker who is tasked with the grizzly job of butchering human beings.

Marcos is a complex and conflicted character. He is a kind and compassionate man, but he is also a product of his environment. He has been raised in a world where human flesh is the only source of food, and he has come to believe that it is his duty to provide for his family, no matter the cost.

As the novel progresses, Marcos begins to question his beliefs. He sees the humans that he slaughters as more than just animals. He sees them as individuals, with their own hopes and dreams. He begins to wonder if what he is doing is right.

Tender Is the Flesh is a powerful and disturbing novel that will stay with you long after you finish it. It is a novel that forces you to confront the dark side of humanity and to question your own beliefs about what is right and wrong.
